Key risks: Past performance is not a guide to future performance. Investment in the Fund involves foreign currencies and may be subject to fluctuations in value due to movements in exchange rates. The Fund may invest in emerging markets/soft currencies or in financial derivative instruments, both of which may have the effect of increasing volatility. The Fund holds a concentrated portfolio of stocks, if the price of one of these stocks should move significantly, this may have a notable effect on the value of the portfolio.

^{^^}The amount of income generated for distribution after deducting all expenses. ^{*}The fraction of a fund invested differently to its benchmark. A 100% active share is a fund with no holdings in the benchmark, a 0% active share is a fund identical to the benchmark.

Please note that on 7 August 2019 the benchmark was changed from the MSCI Russia Large Cap Index to the MSCI Russia 10-40 Index. The MSCI Russia 10-40 Index launched on 31 May 2006. The since launch performance for the benchmark therefore consists of the MSCI Russia Large Cap Index until 30 May 2006 and the MSCI Russia 10-40 Index from 31 May 2006.

Charges

Initial charge	0.00%
Ongoing Charges Figure*	0.95%
Included within the OCF is the Annual Management Charge**	0.80%

*The Ongoing Charges Figure (OCF) covers all aspects of operating a fund during the course of its financial year. These include the annual charge for managing the fund, administration and independent oversight functions, such as trustee, depository, custody, legal and audit fees. The OCF **excludes** portfolio transaction costs except for an entry/exit charge paid by the Fund when buying or selling units in another fund. This will have an impact on the realisable value of the investment, particularly in the short term. **These are the annual costs of running and managing the Fund.
